

Date: 22-02-24

Venue: B C Welfare Association Hostel, SPSR Nellore

Organized by: Dept of conservative Dentistry and Endodontics, Narayana Dental College

Participants:

- Total Students Screened: 130 girls
- Dental Professionals Involved:
- Staff: Dr. Lavanya Anumula, Dr. Achu,
- 6 postgraduate students, and 3 interns

Summary:

A comprehensive dental screening and awareness program was conducted at the B C Welfare Association Hostel, where Dr. Lavanya Anumula, Dr. Achu, along with six postgraduate students and three interns, screened around 130 girls. The team identified various dental issues such as caries and crooked teeth. An awareness session was held to educate the students on oral hygiene practices, including proper brushing and flossing techniques, and the impact of diet on dental health. Additionally, contact information for further assistance and treatment was provided.

The program successfully raised awareness about the importance of oral hygiene among the students and identified those needing further dental care, referring them accordingly. The initiative received positive feedback from both students and hostel authorities, highlighting the program's effectiveness in promoting oral health.
