

DOCTORS DAY CELEBRATIONS (01-07-2022)

On the occasion of National Doctor's Day (1st July 2022), The Department of Paediatric and Preventive Dentistry, Narayana Dental College and Hospital conducted an Oral Health awareness program at Narayana CBSE school, Dhanalakshmpuram, Nellore. A total of 350 children were screened by the team. Referral cards were given to the children who required further dental treatments. Later, all the children received health education on good oral hygiene maintenance and pamphlets illustrating the effects of improper oral health maintenance were distributed.

The children were motivated by the faculty and PGs about the importance of Oral Health for Overall Health. Also, the role of Doctors in

the community and their responsibility towards society was emphasized. Further, the Principal of the Institute was encouraged to send the students on a field trip to visit the Dental College at a convenient time for them to have a first-hand experience of Dentistry.
