

Enrichment program

Department of Conservative Dentistry and Endodontics

Topic – “AN INSIGHT – Anterior Composite Build Up”

Date : 22-09-2021

The program started with a welcome speech from Dr Mounika V and Dr Meghana Varshini, PG students.

Dr. Shri Ram N C , was our guest speaker for the program. It was an exhaustive lecture from 10am to 12.30pm. The lectures focused exclusively on composite build up, Current trends of restorative dentistry, Bonding of substrate, Contouring and polishing and Shading systems. An intro was also given on Bridging direct and indirect restoratives along with Case presentations. A lecture on composite layering concepts was exclusively designed for the advantage of the Interns.

After the lunch break, there was a live demonstration of the Composite placement in which the students could appreciate the putty index technique and different shades used for composite build up of class 4, anterior tooth.

The speaker spent an appreciable amount of time answering the doubts of PGs and interns. The program ended with a vote of thanks by Dr Jagan, PG .

The program was **funded by SHOFU Company** and PGs and interns were acquainted with all the new materials. The program was conducted under the guidance and supervision of Dr Lavanya A, Head of the Department, Conservative Dentistry and Endodontics. Staff of Department of Conservative Dentistry Dr Suneel Kumar, Dr Kiranmayi, Dr Divya, Dr Venkatesh , along with Dean- Dr Shiv Kumar sir, Dr Rekha, Dr Karthik , Dr Krishna Kumar, HOD Of Dept of Community Dentistry and Dr Srinivas, HOD Dept of Prosthodontics attended the program.
